**Other Payments**

Overtime:	All overtime payments must be approved in advance by the Line Producer and will be payable in accordance with the standard terms of your contract at the rate set out above and payable in 30 minute increments for the first hour and thereafter hourly.
Mileage:	Mileage will only be paid to individuals who are required to use their own vehicles to travel to locations < more than 30 miles radius > OR < outside the M25 > from the Production Base. This must be pre-approved in writing with the Line Producer and will not be agreed if reasonably accessible transport is already being provided by the Production. Distances will be calculated and issued on the movement order. The mileage rate, where applicable, is 45p per mile. During the shoot, rail fare equivalent rates will be offered for any distant locations. Mileage will not be paid to persons receiving a car allowance, hire car or transport provided by the production.
Car Hire:	In those instances where it is agreed that you require a hire car, Production will pay the car hire, insurance and production related fuel expenses only. Hire cars and vans are insured only when used on production business. The production cannot be held responsible for any theft of personal items left in hire cars.
